### FOR SALE:

**Canon 5d Digital SLR Camera** - excellent condition, comes boxed with all the bits that should be there. I am the second owner, but have hardly used it since i bought it last April. Not because it is a bad camera, but because I need a crop factor for my birds. I had hoped to get into landscapes, but it just isn't my thing, so it should go to someone who will appreciate a full frame camera.

Asking price \$1400, or nearest offer.
