As this is primarily an "Inter-Club Competition" we suggest, ***though it is not compulsory***, that a minimum of 10% of your financial members (non-active honorary members excluded) be represented in an overall Club/Group/Society entry.

Be assured that PSQ will accept a Club entry made up entirely of images submitted by as few as one (1) financial member however to qualify for either the Champion Club Trophy (including the prize money of \$500) and or any of the 5x Inter-Club Category Trophies, Clubs /Groups or Societies need to abide by the minimum 10% representation guideline. To this end we ask that Clubs/Groups/Societies indicate their current membership numbers on Page 3 ('Receipt & Return'). ***This number must be included to qualify for any of the 6x Perpetual Inter-Club Trophies.***

## **5) Entry Fees & Transport :**

Though no entry fees are charged the responsibility for delivery and return of entries lies solely with the Club.

1. **All prints and/or projected images** entered by a Club/Group/Society must be listed on the Entry Forms supplied. To qualify for any Inter-Club awards a Club/Group/Society must nominate the total number of current club members on each Entry Form. (Non-active life members excluded).
2. We ask that the original **coloured** forms be completed and shipped with the club's competition entry.
3. **All images** must be marked with a Title, Maker's Name, Category, Subject & Initials of the Club/Group/Society submitting the entry or **PM** in the case of a Private Member's entry.
4. **All Entries must have been exposed by the Maker.**
5. **Prints & projected images entered in previous PSQ Interclub Competitions are not eligible for this competition.**
6. **An image may only be entered in one category or subject** (i.e. A Projected Image may not be entered again as a print.)
7. Commercially processed or digital prints are acceptable in all print sections.
8. **Prints:**  
**So as to minimise the risk of damage during shipping to and from PSQ we ask that all prints use a standard size mount board. PSQ recommends that inkjet prints should be given ample time to dry and "tissue" paper be inserted between prints to avoid smudging during transport.**  
  
Large monochrome & colour prints must adhere to a Standard Mount size of 20"x 16" (50x40cm) or 14"x11" (35x28).  
Maximum print size can be 20"x 16" (50x40cm) and there is no minimum print size in this category  
  
Small monochrome & colour prints must adhere to Standard Mount size of 10"x 8"  
Maximum print size is 9"x 6" (23x15cm) and there is no minimum print size in this category.  
  
PSQ Monochrome Print guidelines require that any photograph contains shades of **only one** colour. If toning is carried out, it must be over the total photograph - partial toning and/or the addition of one extra colour are not acceptable in a monochrome section.
9. **Projected Images:**  
All 35mm & Super Slide entries must be "spotted" in the lower left-hand corner when viewed in the upright position and must include an Image Title & Maker's Name & Subject & Club/Group/Society initials.  
**To qualify all 35mm & Super Slide entries must have been exposed on positive transparency film and not converted from a digital file or reprocessed after any digital manipulation.**

We ask that the file name include a brief - **Title\_Maker\_Subject\_Club Initials**. eg: **swan\_jhooi\_pict\_acc.jpg**  
Digital Image entries must be submitted on a CDROM.
10. A Declaration stating that: "I certify that, this club entry is in accordance with PSQ Conditions of Entry" must be signed by an authorised person on every entry form.
