

PSQ SEMINAR 25TH OF OCTOBER 2008

PSQ is committed to keeping **judges and members** up to date with **the Science and Art of Photography** and it is with this charge that we are providing the first of an ongoing series of full day seminars designed for **judges and club members** at all levels. This will ensure judges and members alike all have a broad and balanced knowledge of creating and evaluating images with **Emotive, Aesthetic and Technical** aspects and are all on the “same page”.

To cater to the widest population base, the seminars will be held in Brisbane so as many as possible can attend, however, they will be videotaped and available for clubs and members to purchase at a minimal cost so non attendees, particularly those in rural areas can benefit. (We have already taped the Forum and Convention and these will be available soon) Nothing beats being there though and your questions, comments and good company make the day much better.

To promote **Photography as Art**, we are pleased to offer a **prize** of a large framed photo worth several hundred dollars to a lucky full day attendee. It will be drawn and presented at the end of the day. To put our money where our mouth is, PSQ is happy to pay the winning entry from a judge (this time) \$200 for their photograph and we will mount and frame it.

With a reasonable start time, interesting sessions and good company, this will prove to be a very pleasant day, and we look forward to seeing you there.
