I joined QCG (Queensland Camera Group) in 1998. Currently I am member of Mt Gravatt Photographic Society.

Over the years I have had success in national and international competitions and became PSQ Accredited Judge in 2002.

Currently I am the QLD representative for APS (Australian Photographic Society) since 2008.

My interest is in scapes, macro, portrait, social documentary, photo journalism, nature and abstract.

Since 2011 I have judged international competitions overseas in Slovenia, Wurzburg and Stuttgart In Germany (several times), as well as Internationals in Australia and New Zealand including Vigex, PSNZ, Maitland, Sydney Harbour, Sydney SIEP, Queensland QIDC and Redlands International.

Over the years working with photographers has given me extensive knowledge in this art form which I now like to share, giving constructive and supportive assistance to other photographers wherever possible.
