

Hans SCHMIDT APHA

I started photography in the 1970s with a Minolta SRT100, my first digital camera was a Sony Mavica which used a floppy disk for storage and boasted a resolution of 640 x 480 pixels. I purchased a Canon 350D in 2005 and progressed through a couple of models to the 7D mkII.

My main interest lies in Landscape photography however I do a lot of events and everything in between including weddings. I have been a member of the Cairns Photographic Society since 2007 and have recently also joined the Cassowary coast Camera Club. I do club judging both remote and live within approx. 100km of home, I also judge at local shows.

I will judge any topic and provide critique seen as helpful to improve the photograph.
