

## Robert CULLEN PSQA

Retired Pharmacist. Graduated B.Pharm 1969. Pharmacy Owner 1971-2007 Married to Carolyn (enthusiastic supporter), two children.

Joined Bundaberg Club in 1971 with several terms as Club President and Committee member and a current member of Bundaberg Photographic Group and APS.

Started photographics in father's Pharmacy photo darkroom while at primary school.(Box Brownie days!)

I have a considerable collection of vintage cameras, accessories & books.

My camera use started with an Ensign Selfix 6x9, and moved on to Kodak Retinette, Minolta SRT101, Yashicamat TLR, Bronica ETRs, Nikon F100, and now Nikon digital body and lenses.

I taught basic photography and darkroom techniques at TAFE College for several years.

I enjoy presenting lectures and workshops on any photographic subject using knowledge gained over the years.

My current topical interest is Adobe Lightroom and its digital capabilities, and helping others learn to use it.

My personal photographic subjects include- Landscapes Seascapes, Pictorial, Graphic designs (man-made and nature), Holiday and travel.

My judging approach: I aim to always be constructive, informative, and rewarding of effort.
