

Daniel (Dan) Demy-Geroe EFIAP/g GMAPS PSQA

I have been a keen photographer since the mid-1970s and a member of Mount Gravatt Photographic Society in Brisbane since 1989. I have been a PSQ accredited judge since 2002 and have judged at club, state, and international levels. I am also a member of the PSQ's Judges Executive.

I have been a member of the Australian Photographic Society (APS) since 2000 and currently hold the GMAPS (APS Grand Master) and EFIAP/g (FIAP Excellence - Gold) photographic honours.

I began entering Australian national photographic salons in 1991 and international photographic salons in 2001. I still regularly enter international salons, mainly in projected digital images. Prior to 2008 I entered national and international salons in colour slides and have also entered colour print and monochrome print competitions in the past.

I am interested in most areas of photography, but particularly landscape, travel, photojournalism, social documentary, people, nature, architecture and creative. In general, I appreciate images that communicate a story or emotion and have good lighting and good visual design.
