### **Photography:**

- Started photography 60 years ago on a hand me down Kodak Box Brownie.
- Joined a Camera Club in 2014 and photography started to transform and improve.
- Attracted to unique and creative styles of photography.
- Influenced by Surrealists and Abstract artists such as Ernst Haas, Rene Magritte, Salvador Dali, Bill Brandt, Otto Steinert, Cartier Bresson.
- Enjoy being in front of the computer as much as being behind the camera.
- Likes abstraction, minimalism, monochrome, composite and blended images.
- Many photographers start with an idea and end up with an image, I tend to start with an image and end up with an idea.
- Applies Zen philosophies the photography and to life.
